

Dear _____,

I drew this picture of
the two of us for
you!

HAPPY
Father's
DAY

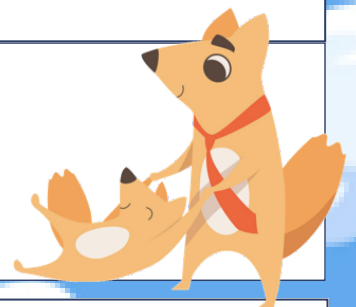

When I grow up, I'd like to be a....

My favourite game to play with you is...

If we could go anywhere in the world on a MAGIC CARPET
this Father's Day, this is what I'd like to see...

My favourite memory of you is...

Tell your parent about your favourite memory of them. Where did you go?
What makes this memory your favourite?

One Father's Day question I'd like to ask you is:

Ask your parent any question you would like to know. What's their favourite Father's Day memory? What is their favourite game to play with you? What was their favourite TV show when they were your age?

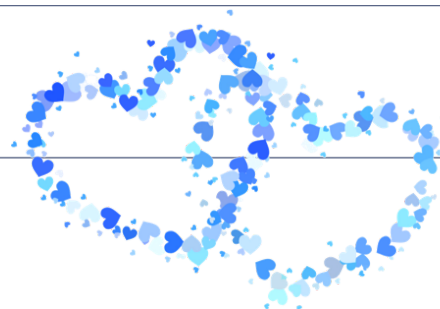

These are 2 reasons why I love you:

You give me hugs, you make me feel special, you encourage me, you make me feel happy, I love hearing your voice, you are my favourite person in the world. (you can draw pictures to!)
