

# Getting Started with Printables Resources Sheet

I hope you enjoyed the Getting Started with Printables webinar. By now you should have enough information to decide whether you want to create a new stream of passive income by selling printables.

If you said, “Yes,” to printables, you’ll need to decide which types you would like to produce. There are LOTS of choices! You’ll also want to equip yourself with tools and templates that can make creation time significantly easier and shorter.

Here are some training & tool options to get you started. Here’s to your new profitable, passive income stream!

Karon Thackston & Denise Wakeman

## Printables Training

### [Printable Profit Empire by Amy Harrop](#)

A great course for beginners that shows you the nuts and bolts of how to create some of the best-selling printables.

### [One-Page Profits by Amy Harrop](#)

If you’re looking for the fastest way to create printables, producing one-page documents is definitely it! In One-Page Profits, Amy teaches you how to find, create and sell these low-content golden nuggets. Use code KTONEPAGE and take \$10 off.

### [Become a Digital Etsy Shop Owner by D’vorah Lansky](#)

Never sold on Etsy before? No problem! D’vorah Lansky will walk you step-by-step through exactly what to do to get your Etsy shop up and running fast. And she’ll show you some quick tricks for creating popular printables to sell right away. Use code KARON20 and get \$20 off.

## Printables Tools & Templates

### [Done-For-You Planners by Thrive Anywhere](#)

Want to skip the creation process altogether? Buy your printables readymade complete with a commercial resale license. All you have to do is brand them, upload them, and make money. Take \$10 off anything in their store with code KARON10.

### [Customizable Printables Templates & More from Biz Template Babe](#)

If you'd like a head start on creating your own printables, check out Biz Template Babe's **Ebook & Lead Magnet Bundle**. Include are Canva templates for ebooks, cheat sheets, checklists, recipes pages and more that you can use to make printables.

### [Done-for-You Printables by Simply Couture](#)

Another suburb site for finding done-for-you printables is Simply Couture. Shop around then take 15% off anything on the site with code KARON15.

### [Fonts, Graphics, Mockups & More from Creative Fabrica](#)

The ultimate shop for printables publishers (and many others)! Hundreds of unique fonts, graphics, backgrounds, KDP book interiors, product mockups and tons of other necessities. Dig in!

## Printables Creation Tools/Software

[Canva](#) – A printable creator's best friend! Please note that, per Canva's terms of service, you cannot download their template as-is and sell them. You have to make changes to the original template.

### [Puzzle Generator](#)

Puzzles make for exciting printables. Whether you choose to do individual one-page puzzle sheets or entire puzzle books, the Puzzle Generator will crank them out for you in just minutes.

### [Plug & Play Journals by Amy Harrop](#)

Journals are an excellent seller because people use them for themselves and give them regularly as gifts. But making them can be rather trying. Not if you use Plug & Play Journals software! Get yours now with a lifetime license (NOT a monthly fee) when you use code KTPPJVIP.

### [Weekly Planner Builder from Thrive Anywhere](#)

Thinking about creating planners as your printables? These are something almost everyone uses. If you want to skip the tedious process of laying out all those pages, pick up the Weekly Planner Builder. With just a few clicks it will layout the pages for you. You'll be done in a flash! Use code KARON15 to save \$15.
